### LOOK TO THIS DAY

Look to this day for it is life,  
the very life of life; in its brief course  
lie all the verities and realities  
of your existence:  
The glory of action,  
The bliss of growth,  
The splendor of beauty;  
For yesterday is but a dream  
and tomorrow is only a vision;  
But today well lived makes  
every yesterday a dream of happiness,  
And every tomorrow a vision of hope.  
Look well, therefore,  
to this day.

Colors : Royal Blue And Silver

Song : Reunited

---

After twelve years of being last on roll call, last at the end of the line, and sitting at the back of the class, due to the procedure of arranging students by their last names, we felt the people at the back should be brought up front for their first and possibly last time.

## Club Takes Part In Festival\*

French Club Sweethearts, Melissa Waller, Liz Armstrong, and Katie Leede are seen in the Homecoming Parade.

The 1978-79 school year has been an active one for the French Club. Members travelled to San Antonio in March for the symposium, where Teresa Michael, Janie Pine, Mark McMurray, Katie Leede, and Tom Boswell went into Semi-finals and finals in poetry recitation. The club has had several parties during the year, and the building of a Homecoming float is always a highlight for club members. The group also participated in the Foreign Language Festival. This summer 17 students will travel to Europe to study at the University of Dijon for four weeks. They will enjoy a tour of Paris and a stay at Nice on the Riviera, swimming in the Mediterranean, and a final tour of Southern France. They will be overseas for six weeks.

# Take Part In Fair

# America's Future Homemakers

The purpose of the organization is to promote and strengthen the functions of the family. To encourage democracy through cooperative activities in the home and community, to become aware of the multiple roles of men and women in society, to involve youth and adults in individual and group activities, and to develop leadership.

The officers attended a leadership workshop to learn what their duties are and how to conduct meetings. The club sold programs at the football games as a school and club activity. As a community service project they constructed 125 Christmas stockings for the Cerebral Palsey Center for a party. Throughout the year club members have been helping Stacy Hall, area vice president, carry out her duties. This has involved out of town workshops, one of them being "You in Fashions", at the annual area meeting in San Angelo.

# Students Try Out Occupations\*

## HERO - FHA

The purpose of HERO-FHA is to provide students on-the-job training through Home Economics-related occupations. HERO-FHA is not all work and no fun. The group had several fun activities, one of them being a Parent banquet in conjunction with installation of officers. Moneymaking projects included selling calendars and note pads. In February, the group held its Employer Banquet; in March they attended the Area meeting in San Angelo, where Peggy Scribner was elected an Area II officer. To end the year, HERO-FHA held a breakfast for the students, to recognize those who earned training certificates.

The Geology club has 30 members, and no officers are elected. The main function of the organization is to go on field trips and explore the West Texas area.

Gene Tuttle, Ashley Hulsey and Paul Davis take interest in a specimen.

## Soul Club . . . For Cultural Awareness

The Annual Staff is at a loss for words about the Soul Club mainly because the club did not give us a list of activities. The members are unknown also, for the same reason.

## Five Qualify For State In V.I.C.A.

This year five members of Midland High VICA won first place in different fields of Cosmetology. This qualified them for State competition. These girls are: Suzanne Carrasco, skills; Terri Conley, Ubelia Montoya, Darla Carter, and Sherry McEwin all won first in different personal projects. Two of the members attended the annual Texas Hairdressers and Cosmetologist meeting in Dallas. Other activities include career day at Edison, a Hairstyling show in Odessa, and two very successful candy sales. Second year members also took the State Board exam to obtain license to practice. Skills taught in the class are: manicuring; hair styling, waving, coloring, lightening, shampooing, conditioning, and cutting. The girls also learn to give facials and put on make-up the right way. Members are:

During this year of working on the annual staff, I had the pleasure of working with Mrs. Anderson. She was a great inspiration and a great help to me. She is also celebrating her tenth year as Midland High's Bookkeeper. CONGRATULATIONS!!!

She has been a great help in keeping the Staff's money together.

I guess what I'm trying to say is Thank You, Mrs. Anderson, for all of your help. Keep up the good work.

This year the annual staff has worked hard to fulfill their duties. As a staff we hope we have gotten a few of the many events that take place during the year. Much time and thought were put into this book, and the staff of 1978-1979 hope that you have enjoyed it.

Jeff,
